2. EXHIBITION

Hilton Istanbul Bomonti Hotel & Conference Center

Silahsor Cad. No 42 Bomonti-Sisli, İstanbul, 34381, Türkiye

Website: <https://www.hilton.com/tr/hotels/istbhhi-hilton-istanbul-bomonti-hotel-and-conference-center/>

Map: <https://maps.app.goo.gl/DeXb2kZvffJ2HJEm7>

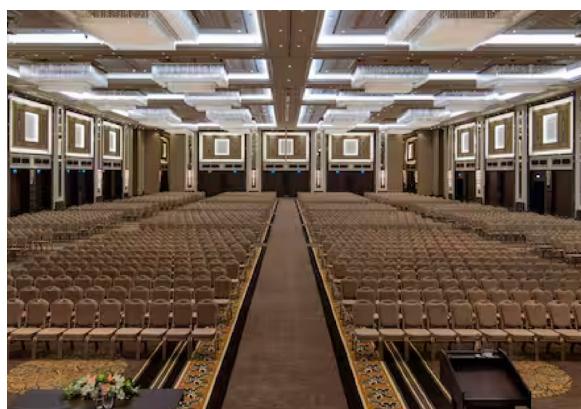

2.1. Exhibition Area

The ICSV32 exhibition will be held in the Grand Ballroom lobby, the central hub for the Opening Ceremony, plenary lectures, lunches, refreshments, and the Closing Ceremony. This prime location will bring together all 1,000 attendees of ICSV32, offering an unparalleled opportunity to engage with your target audience and maximize your outreach.

Location: Grand Ballroom Lobby, Hilton Istanbul Bomonti Hotel & Conference Center

Exhibition Period: Monday-Thursday, July 6-9, 2026

The Grand Ballroom

What's happening in the grand ballroom?

- Monday, July 6: Opening Ceremony, Plenary Lecture, Lunch, Refreshments
- Tuesday, July 7: Plenary Lecture, Lunch, Refreshments
- Wednesday, July 8: Plenary Lecture, Lunch, Refreshments
- Thursday, July 9: Closing Ceremony, Farewell Reception

2.2. Booth Selection

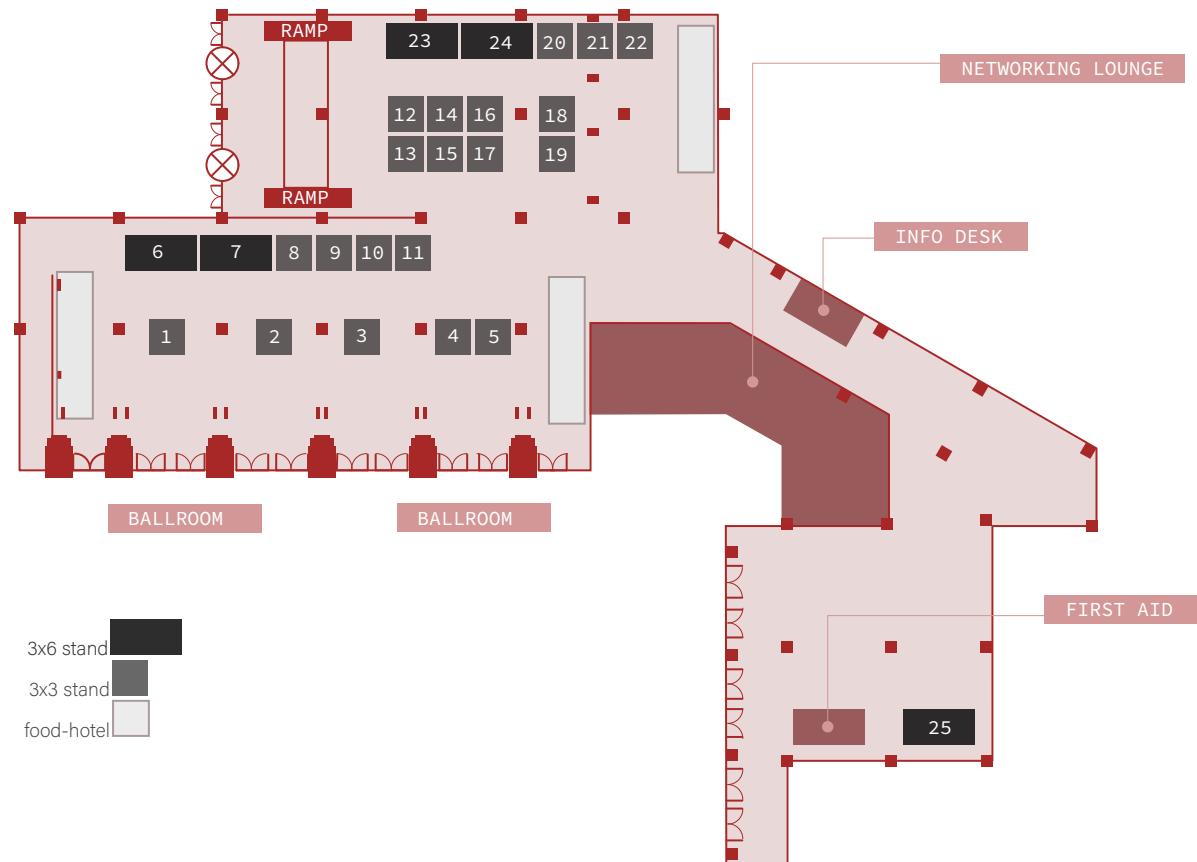

The exhibition area accommodates 24 standard booths (3*2m). We are offering our sponsors and exhibitors an opportunity to select a booth location to best serve their exhibition purpose. Please refer to the booth location below and send your top 3 preferred choices of booth number to the Secretariat at sponsors@icsv32.org at your earliest convenience and by no later than Friday, May 29, 2026.

The booth will be assigned on a first-come first-served basis of your payment completion date, but in addition, sponsors may have the priority according to their sponsorship package benefits.

*The booth plan is subject to change depending on the final number of exhibitors.

Booth Plan

- 24 standard booths available
- Standard Booth : 3m (w) * 2m (d) * 2.5m (h) (6m²)
- Large Booth : 6m (w) * 2m (d) * 2.5m (h) (12m²)

- The Grand Ballroom A+B: Opening Ceremony, Plenary Lectures, Closing Ceremony
- The Grand Ballroom C: Lunch, Farewell Reception
- The Grand Ballroom Lobby: Refreshments

- 2 table and 4 chairs
- 1 information desk with front print (ICSV32 logo)
- 1 trash bin
- 6 LED spotlights

*Front View & Measurements

*Top View & Measurements

Appendix 1. Booth Customization

We have received several requests for booth customization, especially for the backwall graphic printouts and additional equipment. While wanting to accommodate all the requests as much as possible, there were limits to the basic booth options as we wanted to keep the exhibition fee at a reasonable level. Accordingly, we would like to offer the below customization options for those sponsors and exhibitors who wish to add more character to their booth.

Graphics Printout

All exhibitors ordering graphics printout for the backwall or the sidewall should provide a ready-for-print graphic file in ai (illustrator), eps, or pdf format to the sponsors@icsv32.org by no later than Friday, May 29, 2026.

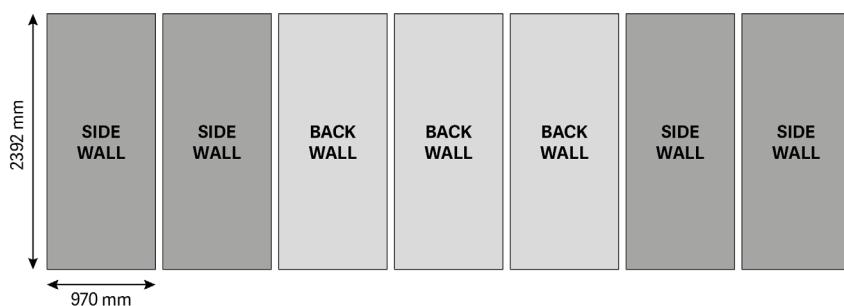

*If you submit your graphics in ai or eps format, please make sure to **create outlines** (all elements converted to vector graphic).

If you submit your graphic file in pdf format, please make sure the file resolution is **300 DPI or more.

***All graphic files should contain separate images to be printed (for example, if you are ordering three graphic printouts, you should send three separate images, each sized 970 x 2392mm). The Secretariat cannot divide the graphics on your behalf.

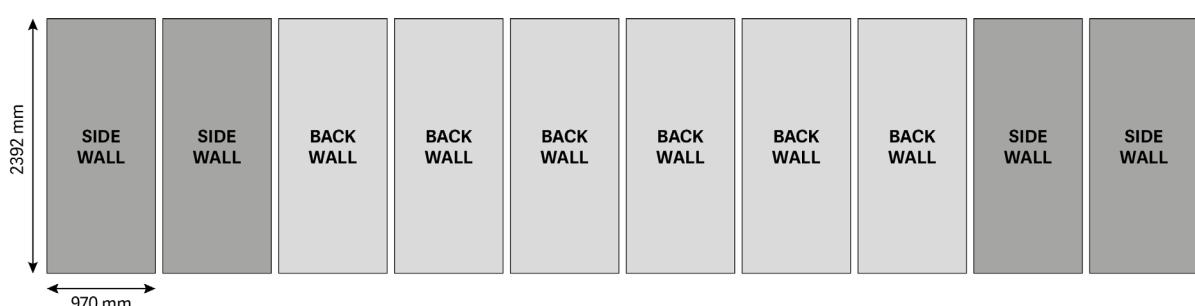

Standard Booth

- Accommodates up to SEVEN (7) Board Graphic Printouts (970 x 2392mm/unit)
 - 3 Printouts on the Back, 4 Internal Side Walls (two on each side)

Large Booth

- Accommodates up to TEN (10) Board Graphic Printouts (970 x 2392mm/unit)
 - 6 Printouts on the Back, 4 Internal Side Walls (two on each side)

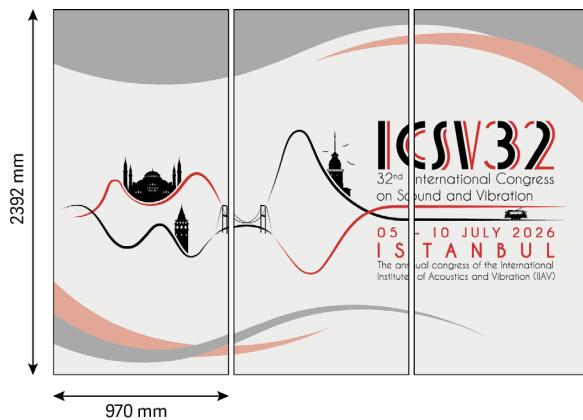

Foam Board Wall including Installation

Booths have frames on the back and the side walls, and the graphics will be divided into 2, 3, or 6 pieces depending on the booth size. However, if you wish to have one whole printout instead of a divided printout, we recommend that you add the foam board wall to fit your booth size. The foam board wall will be installed on the frame.

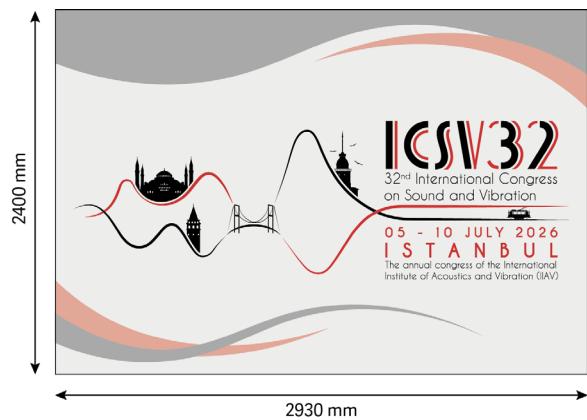

*Basic Frame

- Graphics are separated by frames
- (Example. Standard Booth)

*Foam Board Wall

- Graphics are shown as one whole image
- (Example. Standard Booth)

Foam Board Back Wall (Standard) with Graphics	2,930 x 2400 mm	USD 1,550
Foam Board Back Wall (Large) with Graphics	5,900 x 2400 mm	USD 2,550
Foam Board Side Wall (One-side) with Graphics	1,980 x 2400 mm	USD 1,200

Appendix 2. Logistics and Utilities

If you need any guide on our official logistics partner or require additional utilities such as electricity or internet, please contact the secretariat at sponsors@icsv32.org.
