## Welcome to ICSV32, ISTANBUL, TURKIYE!

The International Institute of Acoustics and Vibration (IIAV) and the Turkish Acoustical Society (TAKDER) are pleased to invite you to attend the 32<sup>nd</sup> International Congress on Sound and Vibration (ICSV32), which will be held in the vibrant city of Istanbul, Türkiye, from 05 to 10 July 2026, at the prestigious Hilton Istanbul Bomonti Hotel & Conference Center. ICSV32 will bring together researchers, academics, practitioners, and industry professionals from around the globe to exchange the latest developments in sound and vibration. The Congress will feature

- **Special theme: *Acoustics from Heritage Sites to Future Cities***
- **7 plenary lectures from distinguished researchers**
- **Technical sessions covering full spectrum of acoustics**
- **Industry exhibition showcasing latest technologies**
- **Satellite events:**
  - (1) **Acoustics and Vibration Academy (4-5 July) in 3 modules:**
    - Future Soundscapes*
    - Room Acoustics for open plan offices*
    - Non-linear Modal Analysis and Substructuring*
  - (2) **Metamaterials Hackathon**
  - (3) **Immersive Sound Exhibition**
- **An engaging social program with soundwalks, technical visits, city tours and cultural workshops**

## Congress Venue and Accommodation

Hilton Istanbul Bomonti Hotel & Conference Center will be the official congress venue and main accommodation hotel. Special rates will be offered to participants who book through the congress website.

Istanbul is the world's one of the most ancient metropolis with its rich history and wonderful nature. With its 8.500 years of history, Istanbul is the former capital of Roman, Byzantine and Ottoman Empires. Separated to two continents, Asia and Europe, the city is an ideal example of the natural beauty.

## Registration

Online registration will open soon through the official congress website. Participants are encouraged to register early to benefit from reduced fees. Details regarding registration fees, payment methods, and cancellation policies will be announced shortly.

## Submission of Abstracts & Full Papers

All abstracts and full papers will be submitted through the Congress website **icsv32.org**. Authors are required to register on the website before submitting their abstracts. Abstracts should be a maximum of 300 words.
