32ND INTERNATIONAL CONGRESS ON SOUND AND VIBRATION

05–10 July 2026

**Hilton Istanbul Bomonti Hotel & Conference Center
Istanbul, Turkey**

The International Institute of Acoustics and Vibration (IIAV) and the Turkish Acoustical Society (TAKDER) are pleased to invite you to attend the 32nd International Congress on Sound and Vibration (ICSV32), which will be held in the vibrant city of Istanbul, Türkiye, from 05 to 10 July 2026, at the prestigious Hilton Istanbul Bomonti Hotel & Conference Center. ICSV32 will bring together researchers, academics, practitioners, and industry professionals from around the globe to exchange the latest developments in sound and vibration.

The Congress will feature;

- 🎵 **Special Theme: Acoustics from Heritage Sites to Future Cities**
- 🎵 **7 Plenary lectures from distinguished researchers**
- 🎵 **Technical sessions covering full spectrum of acoustics**
- 🎵 **Industry exhibition showcasing latest technologies**
- 🎵 **Satellite events:**
 - (1) **Acoustics and Vibration Academy (4-5 July) in 3 modules:**
 - Future Soundscapes**
 - Room Acoustics for Open Plan Offices**
 - Non-linear Modal Analysis and Substructuring**
 - (2) **Metamaterials Hackathon**
 - (3) **Immersive Sound Exhibition**
- 🎵 **An engaging social program with soundwalks, technical visits, city tours and cultural workshops**

Discover Istanbul

Istanbul, where East meets West, is a city of timeless charm and vibrant energy. Straddling two continents, Istanbul offers a unique blend of history, culture, and modern life. From the majestic Hagia Sophia and the Blue Mosque to the bustling Grand Bazaar and the scenic Bosphorus, the city is a treasure trove for travelers.

Whether you're wandering through the historic streets of Sultanahmet, enjoying Turkish cuisine along the Bosphorus, or discovering modern galleries and boutiques in Beyoğlu, Istanbul promises an unforgettable experience.

Social Program

A rich and engaging social program will be arranged for all participant and accompanying people, offering the opportunity to explore the cultural and historical richness of Istanbul. Highlights will include:

- 🎵 Soundwalks into the soundscape of Istanbul
- 🎵 Technical visits to concert halls and research facilities
- 🎵 Guided city tours to historic landmarks such as Hagia Sophia, Topkapi Palace, and the Blue Mosque
- 🎵 Scenic Bosphorus Boat tours
- 🎵 Traditional Turkish Paper Marbling workshop
- 🎵 Visits to local bazaars and artisan markets
- 🎵 Optional day trips to nearby cultural destinations

These programs are designed to ensure that all participants and accompanying guests enjoy a memorable and enriching experience in Istanbul, both within beyond the congress sessions.

Congress Venue and Accommodation

Hilton Istanbul Bomonti Hotel & Conference Center will be the official congress venue and main accommodation hotel. Special rates will be offered to participants who book through the congress website. Additional hotel options within walking distance will also be listed.

Conveniently located in the city center, the venue offers easy access to a variety of transportation options, including metro and bus lines. It is also situated near the historic Bomonti Beer Factory, which lends its name to the surrounding district.

📍 Silahsör Cad. No 42 Bomonti-Sisli, Istanbul, Türkiye

Istanbul is the world's one of the most ancient metropolis with its rich history and wonderful nature. With its 8,500 years of history, Istanbul is the former capital of Roman, Byzantine and Ottoman Empires. Separated to two continents, Asian and European, the city is an ideal example of the natural beauty. From the meows of cats to the horns of ferries all kinds of pleasing sounds will be welcoming you here.

We look forward to seeing you in ISTANBUL!
